

Health and Safety Guide  
for

# Custodial Workers

A pocket-size handbook intended as a reference for cleaners, caretakers, facilities managers, and anyone who works full-time, part-time or on contract in a building's custodial department.

- Identify workplace-specific health and safety concerns
- Develop and implement prevention programs and safe work practices to reduce injury and illness
- Identify, understand and meet legislated health and safety responsibilities.
- Focus on problem solving through employees' and managers' involvement; and
- Integrate health and safety in all work practices.
